Outdoor Furnaces

Official Manufacturer's Certificate

Heatmor, Inc., 105 Industrial Park Court NE, Warroad, MN 56763, manufactures products that qualify for a tax credit under the Residential Energy Efficiency tax credit. As defined by Section 25C of the Internal Revenue Code, the following products are 'qualified energy property' that use the burning of biomass fuel to heat a dwelling unit or heat water for use in such a dwelling unit, and have a thermal efficiency rating of at least 75 percent.

Heatmor™ Model 200 SSRRII
Heatmor™ Model 200 SSP
Heatmor™ Model 200X
Heatmor™ Model 350X

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

Keith Astrup
Vice President

Taxpayers are not required to attach this certification to their tax returns, but must retain a copy with their tax records. Heatmor™, Inc. is not a tax advisor. Taxpayers should consult with a qualified tax advisor to determine whether they qualify for any potential income tax credits. Heatmor™, Inc. is not responsible or liable for a taxpayer's ability to receive tax credits.
